8. WEBSITE AND EMAIL ADDRESS

The Council received a report regarding the introduction of Assertion 10 Requirements within the Annual Governance and Accountability Return (AGAR).

This places greater emphasis on digital and data compliance.

Assertion 10 states that the PC must be able to evidence compliance in relation to:

- Council email domain
- Website accessibility
- GDPR and data protection
- IT and information governance policies

The following actions are required:-

- Set up a council email address ending *.gov.uk*
- Secure a website domain ending *.gov.uk*
- Update the Data Protection Policy
- Prepare and publish a Publication Scheme
- Prepare and publish an Accessibility Statement
- Continue compliance with Transparency Code requirements (financial information already published)

The Clerk has already made enquires with the current website provider; the Council agreed to seek an alternative quote for the provision of a website domain ending *.gov.uk* and to set up a council email address ending *.gov.uk*.

9. ANNUAL PARISH MEETING

The Council discussed the date and arrangements for the Annual Parish Meeting. The Council agreed to invite Rob Charnley, Head of Planning at CWaC to the meeting to do a similar session to the one recently.

The Council agreed to hold the meeting either w/c 20/04/26 or w/c 27/04/26 - subject to both Rob Charnley's and venue availability.

10. PLANNING

The Council noted the planning register and the observations previously circulated.

10.2 Meeting with CWaC Head Planning:-

The Council noted the minutes of the meeting held on 22nd January 2026.

11. POLICE

The police report was circulated previously.

The notes from the police cluster meeting were circulated.

Cllrs expressed concerns that reports made to the police have not been followed up nor communicated to the PCSO.

12. HIGHWAYS

Cllrs discussed the concerns raised by a resident when turning onto the A41 at Edge.

Cllr Harrop informed the meeting as follows:-

- Building Site, Back Lane, NMH:- concerns were raised again regarding health and safety at the site, the state of the road, parking and site security. Matters have been reported to the relevant departments.

13. PUBLIC RIGHTS OF WAY / KISSING GATES

Cllr F Lithgow Smith advised that the order for the further 12 Kissing Gates has been placed with Centrewire. They are due to be delivered to Cholmondeley

Estates Office in June. To date, four kissing gates have been installed; Cholmondeley Estates are due to install the rest by the end of the year.

14. LITTLERS CROFT

Cllr Collings spoke to the meeting about holding an event in the summer.

15. REPRESENTATIVE REPORTS

15.1 Malpas Joint Burial Committee (MJBC):-

Cllr D Lithgow Smith circulated the following report:-

MJBC is intending to propose the following to the Parish Councils and Parish Meetings as follows:

- That the MJBC recognise that the Parish Meetings of Chorlton, Cuddington and Wigland are inactive and as such cannot contribute to the Cemetery's running costs and that this will remain the case until they become active or are amalgamated into another Meeting or Parish Council.
- That residents on the inactive Parishes pay the non-residents rates. It was noted that Bradley is part of an active Parish meeting.
- That residents of the whole of No Mans Heath & District Parish Council area be charged resident rates noting the Council was an amalgamation of the former Parishes Bickley, Edge, Larkton and Hampton
- That requests from the MJBC for support funding be apportioned between those Parish Councils and Parish Meetings charged residents' rates (as a result of their agreement to contribute to the running costs of the cemetery) according to their respective Band D equivalent properties as notified by CWAC in the precept setting exercise for the current year.

The implications are:

1. At present residents' rates at Malpas Cemetery are 50% of the full rate
2. Residents of Larkton will be entitled to residents' rates at Bickerton and Malpas
3. Residents of the Ecclesiastical Parish of Bickley (roughly east of Bickley Brook) will be entitled to residents' rates at both Bickley Church and Malpas Cemetery
4. Residents of the former Bickley Parish who currently have no entitlement to residents' rates anywhere (except in some cases – Tushingham) will obtain rights at Malpas Cemetery
5. The split of the probable request for £8000 financial support this year will be split between Malpas and NMH&D roughly 67%/33%

RESOLVED:- the Council approved the above proposal in principle.

Proposed by Cllr Pegram and seconded by Cllr Harrop.

15.2 Bickerton Joint Burial Committee:-

Nothing to report.

16. DEFIBRILLATOR

Cllr D Lithgow Smith circulated the following report:-

Currently there are AEDs as follows:-

1. No Mans Heath Post Office: expected to become obsolete in 2026/27 (pads not available)
2. Wheatsheaf Inn: now out of service, pads out of date and irreplaceable
3. Hampton Telephone box: under contract with CHT, battery about to expire (see below)
4. Coronation Hall: ok, under contract with CHT (see below)
5. Bickerton Scout Hut (for Larkton use): ok
6. Edge Village Hall: nothing there

The problem:-

- AEDs 1 & 2, provided by NWAS, are effectively obsolete as soon as the current pads expire.
- AEDs 3 & 4, supplied by CHT, have pads & batteries which are difficult to replace and may become obsolete before too long

Recommended solution:-

1. Replace with new model in 26/27
2. Replace with new model and move to BT building now
3. Be ready to replace with new model as soon as CHT can no longer supply pads/batteries
4. Be ready to replace with new model as soon as CHT can no longer supply pads/batteries
5. Not the Council's problem – if there is an issue it will be resolved
6. Supply & install a new AED now

Costs:

- An AED costs approx. £1,000.00.
- The housing costs approx. £500.00.
- Batteries cost approx. £200.00 and last 5 years (so £40 per annum) – Zoll AED uses standard batteries and are much cheaper
- Pads cost between £140.000 (4 year life - £35.00 per annum) and (£70.00 2yr life = £35 per annum).

The Council agreed to purchase a new AED and housing for Edge Village Hall and a new AED to replace the AED currently located at the Wheatsheaf and to apply for support from the members budget in April to cover the cost of replacing the AED that is currently located at The Wheatsheaf (and is due to be relocated to the BT building).

17. CLERK'S REPORT

Nothing to report.

18. CORRESPONDENCE

The list of correspondence received was previously circulated.

PART 2

RESOLVED:- The Council agreed to exclude members of the public and press so as to discuss employment matters.

Proposed by Cllr D Lithgow Smith and seconded by Cllr Harrop.
