

Good Afternoon,

We are writing to inform you that we will be carrying out carriageway surfacing works on **A534 Barton Road** from the property “The Rowans” approximately 500m to the east towards Sibbersfield Lane.

To ensure the safety of our workforce and the public, these works will require a full road closure. While the road will be closed to through traffic, we will be maintaining access for local businesses, residents, and the emergency services.

Work Schedule

- Week Commencing 11th May 2026
- Working Hours: 19:00 – 06:00

Key Information

- **Access & Delays:** While the road will be closed to through traffic, access will be maintained throughout the day for residents, local businesses, and emergency services. We encourage anyone with specific access or delivery requirements to speak directly to our operatives on-site, who will do their best to assist and minimise delays.
- **Proactive Engagement:** We are notifying businesses and residents along the route to ensure they can plan around the nighttime closures. We ask that all vehicles are removed from the carriageway by 09:30 on the scheduled mornings.
- **Weather Dependency:** As these works are weather-dependent, dates may shift at short notice. The large yellow information boards on-site will carry the most up-to-date timings should any amendments be necessary.
- **Noise:** There will be some noise during working hours from machinery and mandatory reversing alarms. We appreciate the community’s patience while we work to complete these essential improvements.
- **Pedestrian Access:** We aim to maintain pedestrian access throughout the duration of the works.

Contact & Updates

For live updates, please follow **@Go_CheshireWest** on X or the Council roadworks map.

If you have any questions or require more information, please feel free to contact us on **0300 123 7036**.

Please note we will only be responding to enquiries received through the system and not directly to emails submitted to the inbox.
