

Hi

Following discussions with Cheshire West and Chester Council, we have agreed to use temporary traffic signals on Chester Road, Churton, overnight.

The traffic signals will be in place from 4pm on Thursday 27 August 2026 until 8am on Friday 28 August 2026. This will allow us to continue our work safely while helping to improve access for the community. At 8am on Friday 28 August 2026, the road closure will be reinstated so that we can continue with our work.

We will continue to keep you updated each day and would be grateful if you could help share this information with your communities via any social media platforms you have access to.

Thank you for your patience and understanding while we carry out these essential improvements.

CATHERINE WEBB
